

# Community Update

You're invited to attend our next **online** Community Update Meeting on

**Tuesday 2 March 2021**  
**at 7pm**

Join us for an update on current major projects in Oran Park Town as well as proposed future projects.

On the evening we will also give an update on the next stage of the Podium Shopping Centre which includes the fast tracking of Stage 3 to allow it to be delivered prior to Stage 2.

The reason for the timing change is due to difficulty with securing the major tenant for Stage 2 as a result of the impact of Covid on the retail industry. Stage 3 contains the same amount of retail space as Stage 2 so residents will have access to the same amount of additional retail.

A more detailed update will be provided on the evening.
