

Sales Release Process

Starting from the 15 July 2020

Until further notice future land releases to the general public will be conducted by way of an "Appointment Only" process.

Releases will be communicated to prospective buyers, who have previously registered their interest in land at Oran Park, by way of electronic mail (EDM). The EDM will generally be sent at least a few days prior to the official day of release. Once the EDM has been sent, prospective purchasers can contact the Sales Office and arrange an appointment time for the day of release. These appointments will be given in priority order based on the time that buyers contact our Sales staff.

These provisions have been made to ensure that customers and staff are protected during these times of COVID-19. This process will avoid queuing and allow appropriate social distancing to be maintained during these times. Note that no more than 5 people (from the buyer's family and including the buyers) are to be in attendance at the Sales Office at any one time.

Builders are not permitted to purchase lots on the day of release. Any lots not reserved by the general public by 2pm on the day of release will then be available for sale to builders.

Oran Park Town reserves the right to withdraw any lot from sale or amend sales terms and conditions including prices prior to the release date.
